Let's celebrate the day of the Great Victory!

Dear readers and authors!

We want to congratulate you with the day of the great victory in World War II, victory over fascism!

This victory has become possible due to the joint effort of all members of the international community. In order to vanquish the “Brown Plague” millions of Russian, European, Asian and American soldiers have sacrificed their lives. May the memory of their feats along with the unconditional gratitude of descendants live forever!

Let's honor the memory of tens of millions of civilians who were tortured and killed by the criminal NAZI regime.

Let's join our efforts in fighting the Neo-Nazism that tries to revive itself in a number of countries.
